with a prelude in german**

May 26th, 2020 - nietzsche wrote
the gay science which he later
described as perhaps my most
personal book when he was at the
height of his intellectual powers
and the reader will find in it an
extensive and sophisticated
treatment of the philosophical
themes and views most central to
nietzsche s own thought and most
influential on later thinkers this
volume presents the work in a new
translation by' **'gay science or the
