December 29th,  
2019 - The article  
strongly challenges  
the view that the  
cause of informal  
settlements in EMM  
and other parts of  
South Africa is  
predominantly the  
apartheid

---

---

government and  
agrees with literature  
which provides  
evidence that to a  
larger extent the  
present government  
not the apartheid  
government is one of  
the dominant causes  
of informal  
settlements'
