**'what is multisession cd definition from whatis**

June 3rd, 2020 - multisession cd a multisession cd is a recordable cd format like a cd r that allows the recording of a pact disk to be conducted in more than one recording session if there is free space left on the cd after the first session additional data can be written to it at a later date each session has its own lead in program area and lead'

**'double album**

May 17th, 2020 - a double album or double record is an audio album which spans two units of the primary medium in which it is sold typically records and pact disc a double album is usually though not always released as such because the recording is longer than the capacity of the medium recording artists often think of double albums as being a single piece artistically however there are exceptions'

**'multi session cds**

**sings for only the lonely 2018 stereo mix by frank**

June 2nd, 2020 - with only 3 tracks recorded initially which was the method used with the early multi track process the engineers went to great lengths to keep the phasing correct as recorded pare this to the previous stereo versions and you can tell that this mastering is cleaner and much more properly phased'

**'in the hot seat by emerson lake amp palmer on music**

May 19th, 2020 - on cd 1 you get the plete album plus 3 bonus tracks 2 of which from the live part of the release the album itself is pretty good rather than be an explosive album as previous releases have been this is a bit more subdued for me personally that works because it shows a very different aspect of the band so onto cd 2''

**gotthard lyrics songlyrics**

May 3rd, 2020 - gotthard is a swiss hard rock heavy metal band founded in lugano by steve lee and leo leoni their last eleven albums have all reached number 1 in the swiss album charts making them one of the most successful swiss acts ever with 2 million albums sold they managed to get multi platinum awards in different parts of the world'
