of 1812

May 31st, 2020 - the war of
1812 was a conflict fought
between the united states and
the united kingdom with their
respective allies from june
1812 to february 1815
historians in britain often
see it as a minor theatre of
the napoleonic wars while
historians in the united
states and canada see it as a
war in its own right from the
outbreak of war with
napoleonic france britain had
enforced a naval'

'war of 1812 historynet

May 31st, 2020 - war of 1812 summary the war of 1812 was an armed conflict between the united states and the british empire the british restricted the american trade since they feared it was harmful for their war with france they also wanted to set up an indian state in the midwest in order to maintain their influence in the region which is why 10 000 native americans fought on the side of the british'
