May 22nd, 2020 - titanic summary are you seriously crying already the movie hasn t even started yet the movie starts out in the present day well present day in the dark ages of the 1990s a guy named brock lovetz bill paxton is heading up a crew of people searching for some kind of treasure in the wreck of the legendary titanic'

**'titanic amp the notebook essay 1773 words**

*April 19th, 2020 - the two artifacts i chose to write about are the films the notebook and titanic the notebook is a romantic film directed by nick cassavetes and based on the best selling novel written by nicholas sparks the two main characters are played by ryan gosling and rachel mcadams who are madly in love the film was released may 20th of 2004'*

**'titanic vs the notebook the student room**

April 17th, 2020 - for me it s the notebook every time although clearly the academy disagrees lol i think titanic is more obviously sad from the point of view that one of the main characters dies and that the story was a real life tragedy but very little has had such a profoundly moving effect upon me as the notebook i think it shows definitive true love now sadly such an over used cliché'

**'favorite love film the notebook or titanic the tylt**

May 1st, 2020 - the notebook and titanic are two of the greatest love stories ever told both films tell the story of young love and the great lengths these couples will go through to be with their partner it has been 15 years since the notebook hit theaters and fans still fawn over noah and allie''
