from gutenberg to  
google the history  
of our future tom  
wheeler network  
revolutions of the  
past have shaped the  
present and set the  
stage for the  
revolution we are  
experiencing today  
in an era of  
seemingly instant  
change it s easy to  
think that today

history of printing  
November 23rd, 2019  
- gutenberg is who  
most people consider  
as the inventor of  
printing this is  
true if you are  
talking about the  
invention of the  
printing press but  
the idea that it is  
based on of course  
es from the chinese  
gutenberg was the  
one who originally  
created and built  
the movable type  
printing press in**
