'the 10 most powerful artworks on motherhood from the 20th

May 30th, 2020 - art about motherhood has been devalued just about as
long as the work of raising children has and too many artists who go
that route are quickly labeled eccentric but starting in the 20th
century we can find many examples of artworks that use the images or
materials of motherhood to great effect'

'a first look at labor motherhood and art exhibition

May 22nd, 2020 - telling us that motherhood is vital creative and mind
expanding work is a little like preaching to the choir but as any
woman working in the art world can tell you motherhood has rarely been
taken seriously as the subject of fine art and in fact female artists
have long been advised to delay having children or simply skip it all
together if they hoped to be taken seriously as an artist'
