hyperion***

*March 20th, 2020 - invitation to the dance
and other works what is important for the
lucid ordering of the work for its
crystallization is that all the dionysian
elements which set the imagination of the
artist in motion and make the life sap rise
must be properly subjugated before they
intoxicate us and must finally be made to
submit to the law apollo demands it'*

**May 17th, 2020 - while carl maria von
weber s importance is largely tied to opera
and to his role in establishing the romantic
movement his piano positions are also
important as both liszt and chopin attested
the four sonatas must stand at the core of
his solo output and although the fourth
1819 22 is generally acknowledged as the
finest the first here is quite an imaginative**
