dubstep for beginners part 1 the drums

May 25th, 2020 - sparseness is the key for dubstep the empty open feel of the drums is one of the parts that makes it so unique often times you will just hear this one and three hit of the kick and snare as the drum part in an intro or outro in a dubstep track however you do eventually need to add more content to the beat than just a kick and snare'

'hifi help guide for beginners and starters singapore

May 20th, 2020 - rock generally rock is a modern music with a simple tune and a strong backbeat is played and sung loudly with the help of electric guitar electric an electric bass or electric piano and drum vocals vocal music is a genre of music performed by one or more singers with or without instrumental accompaniment in which singing i e vocal performance provides the main focus of the piece'
