***time vs temporality what s
the difference wikidiff***

*August 17th, 2019 - as nouns
the difference between time
and temporality is that time is
uncountable the inevitable
progression into the future
with the passing of present
events into the past while
temporality is the condition of
being bounded in time of
being temporal as a
interjection time is tennis as a
verb time is to measure or
record the time duration or*
