'you need a homeschool history timeline but you

don t need

May 30th, 2020 - 2 long term project this might be my favorite part of incorporating a timeline into our homeschool because we study different time frames in history every year our timeline has bee a tool that stays with us from year to year i love the consistency this brings to our learning from one lesson to the next and from one year to the next for example our timeline already shows what was'
