'j e gordon wikiquote

*May 20th, 2020 - structures or why things don t fall down 1978 the
real reason for the disaster was however pride and jealousy and
political ambition if a ship runs into a large bridge destroying
both the bridge and ship as happened recently in tasmania it is
very difficult to see what either the naval architect or the
bridge designer could have been expected to do about it from the
structural'*
