## **Nationalism in Karamzin's DeepDyve**

**April 19th, 2020 - Karamzin is therefore to some extent a forerunner of the 'state school' of Russian historiography according to which the state was the most important phenomenon in Russian history the principal source of progress and the chief agency through which the well being of the Russian people could be secured. Yet his approach to Russia's history as the history of its rulers was challenged'**
