Constructal Theory**

This lecture reviews a relatively recent body of heat transfer work that bases on a deterministic constructal principle the occurrence'

'Engineering professor to receive Max Jakob Memorial Award

March 14th, 2007 -

Kwang Tzu Yang the Viola D Hank Professor Emeritus of Aerospace and Mechanical Engineering at the University of Notre Dame has been named the recipient of the Max

Jakob Memorial Award
Presented annually in
recognition of eminent
achievement of
distinguished service in
the area of heat transfer'
