reviews The Beatles Let It Be 33 1  
September 1st, 2019 - The 33 1 3 series is really a great  
idea functionally however many of the books merely rehash  
old articles and interviews The Let It Be volume however is  
a noble attempt to bring together information from many  
sources about the recording of the album the mood of the  
Beatles and their collaborators a decent degree of  
technical information'
