territorial"the politics of  
appropriation jason geary  
9780199736119

May 7th, 2020 - the politics of  
appropriation uncovers a largely  
fotten chapter in music history by  
considering the intersection of music  
and hellenism in nineteenth century  
germany while the influence of  
greece on the literature art  
architecture and philosophy of this  
period has been much discussed its  
significance for music has received  
considerably less attention'
