'writing your review literature reviews library guides

May 14th, 2020 - avoiding plagiarism
plagiarism occurs when you copy
another author's ideas or words
without acknowledging their source
anything you get from a source even if
you write it in your own words needs
to have a citation or footnote your
literature review is based on the work
of other authors so you must be very
careful to separate an author's

evaluation of research from your own'
'steps to writing a literature review
May 31st, 2020 - writing literature
reviews suck but they're easier if you
master the methods of outlining and
organization blog where I detail the
steps can be found at [h'how to carry
out a literature search for Cambridge
Core](#)

April 7th, 2020 - a literature search
is distinguished from but integral to
a literature review literature reviews
are conducted for the purpose of a
locating information on a topic or
identifying gaps in the literature for
areas of future study b synthesising
conclusions in an area of ambiguity
and c helping clinicians and
researchers inform decision making and
practice guidelines'
