May 11th, 2020 - that's a minor quibble as  
Caroline Moorehead did an excellent job of  
bringing Schliemann to life a deeply flawed  
individual but heroic in his own way. This  
book fell into two halves: the first a biography  
of Heinrich Schliemann, the treasure hunter  
archaeologist who discovered the site of Homer's  
Troy, and the second the perplexing fate of the  
treasure he found there.
